

MR P TRIBUTE SWIM – RAFFLE PRIZE & SPONSORSHIP

I am the Chairman of Gainsborough Dolphins Swimming Club. We provide top quality swim teaching and coach competitive swimming in Gainsborough and on 23rd June 2018 we are holding a Tribute Swim raising money for cancer charities.

I am writing to you asking if you would consider supporting our charity event by supplying a raffle prize or sponsoring a race.

The event is in tribute to Colin Pitchforth – AKA Mr P.

Colin Pitchforth was not only a prominent figure in Gainsborough in the world of swimming but was also Head Master at Ropery Road School, a keen golfer at Gainsborough Club.

Colin, affectionately known as Mr P in the world of swimming was involved in the setting up of Trenton Dolphins Swimming Club and was its Head Coach. Colin supported the Management Team when Gainsborough Dolphins Swimming Club was formed in 2011 and carried on teaching and coaching until ill health stopped him.

Colin passed away in 2015 after fighting cancer for several months and in his memory Gainsborough Dolphins Swimming Club is putting on a special tribute swim inviting swimmers who in the past had been taught and coached by Colin.

All money raised from the event will go to the Macmillan and Marie Curie cancer charities.

We intend to raise a good amount of money and ask you for your help.

We are looking for raffle prizes with any big, special prizes possibly being auctioned off on the night.

We are also looking for sponsors to make a minimum donation of £10 to sponsor each race on the programme. We will include any business/group/individuals name on the programme and announce your details on the night.

If you would like more information or to discuss any details please contact me in the first instance via email Chairman@gainsboroughdolphins.co.uk

If you would be able to support us could I ask you to return the attached sheet to me using the email Chairman@gainsboroughdolphins.co.uk

Thank you for taking the time to read this letter.

Thanks

Nigel Stevenson – Chair

and the GDSC Management Team
